President's Corner

I am very happy to announce that our Chapter has achieved the Gold level of Chapter Recognition for the 2017-2018 chapter year! This status is based from the information our chapter submitted in the Chapter Operations Management Tool (COMT) of 6/30/2018. Thank you to Jenna Mausolf and the Executive Committee that contributed to this success. We are continually striving to improve our Chapter and the recognition is very much appreciated.

We received wonderful feedback regarding our October breakfast meeting and "Safe4 Culture Changer" workshop that Wylie Davidson from Dival presented. A special thank you to Jim Christiano for setting up the workshop and to Wylie for an excellent presentation! The breakfast format was a first and the turnout was very impressive.

Please contact me, or any of the executive committee members if you have any ideas or recommendations to grow and enhance the Chapter.

I hope to see everyone at our 11/7/18 meeting.

Joe Rosenbeck

President – Genesee Valley Chapter, ASSP
