1/8/18: "The ABC's of Fall Protection" by Mark Flynn

President's Corner

Our chapter had an outstanding turnout last month to hear Gordon Deleys' OSHA update at the Dinosaur BBQ. A crowd of 52 attendees resulted in a packed house. Thank you to the chapter executive committee for making this event so successful. In addition, a special thank you goes to Gordon for another great presentation.

Next month is our holiday networking social that will be held on Wednesday, December 5. The event will begin directly following the conclusion of the 4th Annual Genesee Valley and Finger Lakes Region EH&S Conference, which our chapter helps sponsor. We have hors d'oeuvres and a cash bar. In addition, Chapter Vice President James Locigno and his brass ensemble will provide some holiday music.

Please contact me, or any of the executive committee members if you have any ideas, or recommendations to grow and enhance the chapter.

I hope to see everyone at our 12/5/18 networking social.
