Upcoming Events

Meetings for the 2019 Season

Schedule will be released soon!

President's Corner

Happy New Year!

We had a great turnout at our "Holiday Social" in December. Thank you to our entire chapter executive committee and chapter members for making the event a success. A special thank you goes out to Jim Locigno (chapter vice president and president elect) and his brass ensemble for providing joyous holiday music. Fun was had by all.

Our chapter had a very successful fall. We added a few new members and we had increased member participation. Our meeting attendance was outstanding and the executive committee is working diligently to firm up the chapter meeting schedule for 2019.

Our January meeting guest speaker is Mark Flynn and he will be presenting "The ABC's of Fall Protection."

Please contact me, or any of the executive committee members if you have any ideas, or recommendations to grow and enhance the chapter.

I hope to see everyone at our 1/8/2019 meeting.
