## President's Corner

Hello All,

Thank you to Grant Esler and the RIT students from Grant Esler's Occupational Safety course who presented their reports on various related topics at our April meeting at RIT. The students were well prepared and their topics were enjoyed by all. One student presented in a way that resulted in interaction with the audience members and great related examples were shared. In addition, each of the six students who presented were given a \$100 check from ASSP.

Thank you to ASSP GVC Membership Chair-Jim Christiano and Tracy Pope from General Motors Components Holdings, LLC. (GMCH) for setting up and hosting a tour for our May 14 meeting. The tour will start promptly, so be there ready to go by 10:00 am.

Current Vice President/President Elect James Locigno will assume the Office of President in 2019/20. In addition, James is also the Chair of the current Nominations Committee. Nominations for the GVC 2019/20 executive committee were recently accepted. Please contact James if you are interested in serving in 2019/20.

Hope to see you at the GMCH tour in May.

*Joe Rosenbeck*

**President – Genesee Valley Chapter, ASSP**
