Rochester Institute of Technology

## President's Corner

Greetings Colleagues!

Welcome to another action-packed year for the Genesee Valley ASSP. I look forward to meeting each of you at our events throughout the year. We would like your feedback as we look to always improve our chapter. Please email me at [jchristiano@divalsafety.com](mailto:jchristiano@divalsafety.com) with any thoughts or feedback.

We recently met as an executive committee with prior ASSP presidents to plan for the year. Thank you to all for your service, past and present.

I'd like to congratulate one of our members, Dick Flynt, on his appearance in the May issue of Professional Safety Journal. His article, "Starting a Deming Engine: Making Plan-Do-Check-Act Work for You", was insightful and helpful for all of us ([link](#)). He's already offered to speak at one of our meetings this year, so look for more from him. Great job Dick!

If you can believe it, this December marks the 70<sup>th</sup> year that the Genesee Valley Chapter has been in existence. That's a big deal! We plan to celebrate in style at our Winter Social.

Here is our schedule for the rest of 2022:

- September 14<sup>th</sup> – Kick-off Social
- October 12<sup>th</sup> – Panel Discussion
- November 9<sup>th</sup> – OSHA Update
- December 7<sup>th</sup> – Winter Social – 70<sup>th</sup> Anniversary! (Following the PDC)

We look forward to seeing you at Jeremiah's on the 14<sup>th</sup>!

Thank you,

*Jim Christiano*

President – Genesee Valley Chapter, ASSP
