Advisor – Joe Rosenbeck, CSP
Rochester Institute of Technology

Representative - TBD
Rochester Institute of Technology

President's Corner

Greetings Colleagues!

Our October Panel went well. We discussed the many intricacies of creating and managing a confined space program. We would like your feedback as we look to always improve our chapter. Please email me at ichristiano@divalsafety.com with any thoughts or ideas.

If you can believe it, this December marks the 70th year that the Genesee Valley Chapter has been in existence. That's a big deal! We plan to celebrate in style at our Winter Social.

Here is our schedule for the rest of 2022:

- November 17th – Annual OSHA Update – Dinosaur BBQ
- December 7th – Winter Social – 70th Anniversary! (Following the PDC)

Thank you,

Jim Christiano

President – Genesee Valley Chapter, ASSP
