## ***Matthew Knights***

U.S. Navy Veteran (10 years) and manufacturing expert (23 years). Matt specializes in bringing teams together to safely execute complex projects. As a Senior Project Manager at E&J Gallo, he bridges the gap between operators and maintenance through design, engineering, installation, and commissioning. His career spans industrial refrigeration, automation, and electrical distribution, backed by a Bachelor's degree and multiple graduate certificates. Matt's passion? Making the impossible possible, together.
